1 By plane from Rome

We have in Rome two airports:

- 1) The “Leonardo da Vinci” airport in Fiumicino
- 2) The “G.B. Pastine” airport in Ciampino

1.1 Fiumicino: “Leonardo da Vinci” Airport

After your landing you can choose two ways to get to the center of Rome.

1.1.1 TAXI.

One option is the taxi: they are just in the exit of the building of the airport. You need about 45 minutes to reach the downtown and costs it's about € 80-90.00.

1.1.2 TRAIN

SUGGESTED SOLUTION

Another way is the train. The **Leonardo Express** is the quickest way to get from Fiumicino Airport (a.k.a. Leonardo da Vinci International Airport) to central Rome. Trains run at 30-minute intervals from early morning until late at night, taking just 31 minutes to cover the 30 km or 20 miles between the airport and Rome's Termini Station. The first-class fare of €14 is about 50 percent higher than what you'd pay for a second-class ticket on a normal commuter train between Fiumicino and Termini, but there are no intermediate stops, and you won't have to worry about jockeying for a seat during rush hour.

TRAIN STOP: direct train from FIUMICINO AIRPORT to TERMINI STATION

TIMEWAY: 30 minutes

TICKET PRICE: Single Ticket € 14. You can purchase *biglietti* from the green [Trenitalia ticket machines](#), at the *biglietteria* or ticket counter, or--even more conveniently--at the newsstand/tobacconist in the station (shown above).

The ticket machines and the railroad's ticket counter accept credit cards; at the newsstand, where customers are likely to be in a hurry, we'd suggest paying the €14 fare in cash.

Be sure to validate your ticket by inserting it in one of the yellow stamping machines on or near the platforms. If you are caught riding the train with an unstamped ticket, you can be slapped with a fine of € 50 (payable on the spot) plus the standard fare.

TIMETABLES may vary on holidays and on Sunday; Train schedules are posted also inside railway station:

1.2 Ciampino: “G.B. Pastine” Airport

Ciampino airport is in 15 km south east of Rome. There is no direct train connection from Ciampino Airport to Termini station in Rome. After your landing you can choose two ways to get to the center of Rome.

1.2.1 TAXI

One option is the taxi: it will cost you between € 25.82 and € 36.15 and it lasts 30 minutes more or less.

1.2.2 BUS + UNDERGROUND

SUGGESTED SOLUTION

Another way is the underground after the bus:

BUS STOP: Bus service is operated by CO.TRA.L. The bus stop is located outside international departure hall. CO.TRA.L. operates a bus which connects the airport to the Anagnina Underground station (line A) and to the train station of Ciampino. From Anagnina, it is a direct 30-minute metro journey to Termini station. From the Ciampino train station, it's a direct 15 minute connection to Rome Termini.

BUS TIMETABLES:

6.50	8.00	8.30	9.00	9.30	10.00	10.30	11.20	11.50
12.20	13.20	13.50	14.50	15.50	16.20	17.20	17.50	18.25
18.50	19.20	19.50	20.30	21.20	22.05	22.50	23.40	

TIMEWAY: The bus journey from the airport to Ciampino station takes 10 minutes, trains run to Stazione Termini every 15 minutes and the journey takes approximately another 20 minutes. Alternatively, 30 minutes bus ride from the airport to underground (metro) Line A at Anagnina Metro station followed by a 20 minutes to Stazione Termini.

TICKET PRICE: BUS: SINGLE TICKET € 1.00

TRAIN: SINGLE TICKET € 1.33

Ticket can be purchased at kiosks located inside international departure hall and vending machine located inside international arrival hall.

1.3.2 BUS

The other possible way is to reach the TIBURTINA station from Station TERMINI using the Underground station (metro). From TIBURTINA station is possible to reach Potenza by bus.

Depending what time you arrive at Termini Station, this solution is better than the previous one, in fact the LISCIO AUTOLINEE covers the entire route (about 4 hours) without any change (only one stop of 10 minutes), the cost is cheaper than the train and usually it is on time.

SUGGESTED SOLUTION

BUS STOP: Bus service is operated by LISCIO autolinee. The bus stop is located outside the TIBURTINA STATION at the gate number 5.

From Rome you may reach by bus Potenza (piazza Zara):
Rome-Potenza: Autolinee Liscio

2 By plane from Napoli

Capodichino airport is about 7 km from downtown Naples. From the Airport you can choose two ways to get to the central Piazza Garibaldi (**Railway Central Station and Bus Station**).

2.1 TAXI

One option is the taxi: it will cost you between € 13-20.

2.2 CITY BUS

The other option is taking a city bus (ALIBUS of ANM company).

ALIBUS-STOP: In front of arrivals concourse. Price ticket € 3

Taking the regular airport shuttle bus (ALIBUS) to Naples Stazione Centrale (the journey takes about 20 minutes depending on the traffic), the bus will drop you off at Piazza

Garibaldi on the opposite side to the train station. Now you have two ways to reach POTENZA: by bus or by train.

2.3.1 BUS

BUS-STOP: Bus service is operated by LISCIO autolinee. The bus stop is located outside the Naples Stazione Centrale. There is not a specific place where the BUS stops but you must find it looking the BUS parking long the street in front of the station. (the yellow boxes show the possible position of the BUS STOP of LISCIO autolinee).
